

Locating Your Child's Lunch Balance in SIS

To locate your child's lunch balance FOLLOW THE FOLLOWING STEPS:

1. **Log into SIS using your user id and password,**
(If you do not have a username and password, click on the "request a username" link shown below) Then follow the prompts to create a parent login.

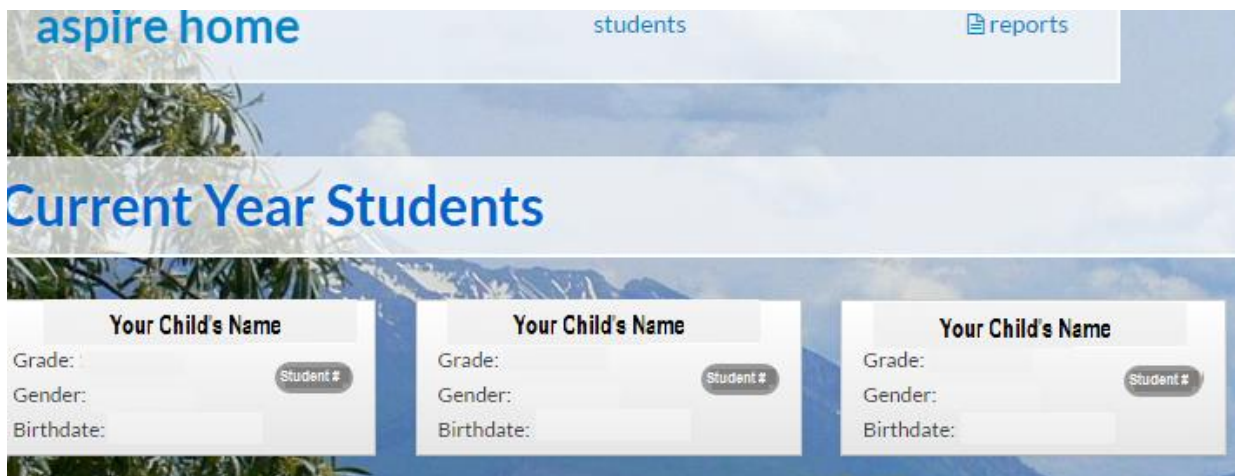

Click here to setup your user account.

(You must be a contact for the student and know certain information about the student to do this)

2. After you are logged in:
3. If you only have one child enrolled in school that child's Student Summary will open.

If you have more than one child enrolled in school then their names will come up for you to select one of them. (as shown below)

4. You will find the student's lunch balance on the right. (as shown below):

Student Name ID #
