Action Items

The council approved the October minutes as presented.

Safe Routes to School

Melinda Snow asked council members to share their concerns regarding what areas need to be addressed during this year's safe routes to school discussion. Each year, Melinda submits a plan to the city and state. Two new lights in Moab have come out of SCC. Melinda presented maps of the downtown area and members pinpointed areas of concerns. The following is a list:

1. Streets surrounding the charter school are dangerous for students: crosswalk at Milt's, no crossing guards
2. Lack of a continuous sidewalk on Kane Creek
3. 100 North—Diagonal parking at Zax/overflow from Desert Bistro; students leave bike path heading north on street; speed limit is not observed
4. Restripe curb on Williams Way between 100 West and 500 West and continue bike path down Williams Way
5. Congestion on Main Street in front of Poison Spider where the road narrows
6. A light at 200 North Main near Wendy's/Canyon Voyages/Bowen Motel/Shell station
7. 400 East—Restripe all of 400 East including the bike lane; put in flashing lights at the intersection of 400 East and Locust Lane
8. 400 South—School zone speed limit signs, crosswalk, flashing lights at Charter School.
9. Potholes on 300 South

Stakeholder Survey—Goal: 30 percent return rate

Suggestions on methods to meet the 30% stakeholder survey response rate:

- Parents volunteer at the January 19-20 PTC. Team agreed to sit at tables at exits to hand out/collect surveys.
- Raffle tickets given to parents for participation (Tifnee will solicit donations from the community).
- Pizza party for the advisory class with the largest return rates.
- Announcements on the new and improved parent link

Meeting Adjourned – 4:30 p.m.
