Immunization Exemption?

There are three types of exemptions available. Exemption forms must be given to the school to be placed in student's permanent file.

Medical - The child's licensed physician must complete a Medical Exemption Form.

Personal - Parents/guardians who have personal or philosophical beliefs against immunization.
Ask health department official for help to complete this form.

Religious - Parent/guardian who is a member of religious group whose doctrine opposes immunization.
Ask health department official for help to complete this form.
