Dear Parents/Guardians of Grand County School District Students,

It is that time a year to request your feedback regarding our school district teachers. Your feedback is very important and is an integral part of the evaluation process. Teacher evaluation is separated into 3 main parts. The first part is the evaluation conducted by the principals. The second part is student growth related to the results of the Student Learning Objectives developed by the teachers. The third part is student and parent feedback. This is where you as the parent/guardian come in as part of the evaluation process. We request that you fill out a short survey, either handwritten or online, in order to give us feedback.

You can access the online survey at the following address: <https://www.surveymonkey.com/r/3WVX5FZ>.

If you are the parent/guardian of a Grand County School District pre-school student, you can obtain a hardcopy survey from the pre-school office during parent teacher conferences January 19<sup>th</sup> and 20<sup>th</sup> or contact Ms. Sherrie Buckingham for more information. Ms. Buckingham can be reached at 719-3847. If you complete a hard copy survey it is requested that you leave the survey in the pre-school office. Arrangements can be made to complete the survey online during the conferences as well. You are requested to fill out one survey for your child's teacher.

If you are a parent/guardian of an HMK student, you are requested to fill out one survey for your child's teacher. During parent teacher conferences January 19<sup>th</sup> and 20<sup>th</sup>, you can take the survey online in one of the HMK writing labs or fill out a hard copy survey that you can obtain from your child's teacher. If you fill out a hard copy survey, you are requested to drop the completed survey off in either the K-3 or 4-6 offices as applicable to your child's grade level. If you have any questions, please call Ms. Taryn Kay at 719-4829.

If you are a parent/guardian of a Grand County Middle School or Grand County High School student, you are requested to fill out a survey for each of the applicable teachers of your child. During parent teacher conferences January 19<sup>th</sup> and 20<sup>th</sup>, the High School Library will be available as well as the Middle School Library if you want to complete the surveys online. If you prefer to fill out a hard copy survey for each teacher, the hard copy surveys will be available in the office of each school. Please return the completed hard copy surveys to the office of your child's applicable school. If you have specific questions regarding the Middle School, please contact Ms. Melinda Snow at 719-4700.

If I can be of further assistance, please do not hesitate to call me at 719-4890. I would be happy to answer any questions you might have regarding your role in the teacher evaluation process.

Sincerely,
