

You are invited ...

The Grand County High School would like to invite you to participate with our 7th Annual College & Career Fair, scheduled for

March 17, 2017

9 am to 1 pm

Our event is focused on increasing student awareness of career and post-secondary options as they enter the “real world” after high school.

What is the Career Fair?

Local, regional, state-wide agencies and organizations share industry related information or recruit potential employees from our students. Last year, we had over 400 students, parents, and community participants. This is an excellent opportunity to meet, educate, or recruit future consumers and employees. Previous contributors have included colleges, universities, vocational training schools, adult employment agencies, financial institutions, and governmental agencies.

What do I need?

Our Career Fair is free and costs nothing to contribute. A sponsor typically brings brochures, flyers, table tents, banners, etc. to advertise services or relevant products. If you are sharing information about your career field, feel free to bring samples of your product or tools from your industry. Students love visual displays! For those interested in hiring our students, please bring applications and job descriptions. A popular trend with previous participants was to bring small give-away items with your brand or logo. We will provide a 6 foot table, table covering, and lunch for all participants.

How can I register?

Thank you for helping GCHS evolve from secondary education to independent adult living. We appreciate your assistance in reinvesting in our Moab youth.

Please register for participate by **February 3, 2017**. Reserve your booth today by completing the online registration:
